

Excellent rehearsals today!

Today was a day of excellent rehearsals. First, the fourth graders rehearsed their songs at recess. the regular cast (now up to 64 students, not including the fourth graders and stage crew) did a fabulous job. Miss Janie, a former student from New Trier, is going to choreography for us, introduced herself. We also had the "star-to-be" tryouts. All the fifth graders that performed are IN! (Way to go stars!)
